# Why Choose JUST EXHIBIT?

“

*We are a global leader in regional aircraft leasing with our headquarters based in Limerick, Ireland and offices based in Singapore, Denmark, Toronto and Beijing. We have been working with GBM for 9+ years now. The marketing and comms department began operation in 2016 and it was then that GBM was brought on board. GBM offers an exceptional service and a product that is unparalleled in the market. The quality of the products is incredible, so much so that we have used GBM to supply all signage to all of our offices globally. Equally all conference and event material is supplied by GBM. We have gone out to tender on many different occasions and we have even gone so far as to try alternative providers in the interest of getting a taste of what others can provide but we have always returned to GBM based on the comprehensive package provided. I would honestly recommend Dermot and team without hesitation. They know how to deliver a five-star service, they are the best in the business.*
